

4-PERSON OUTDOOR TRADITIONAL SAUNA

Nestled in tranquil woods, the Haven Sauna offers a perfect retreat for 2–4 people. Crafted from sustainable Hemlock, this outdoor sanctuary combines natural elegance with superior heat retention, making every sauna session restorative and deeply relaxing.

A. L-SHAPED BENCH

Spacious and comfortable, perfect for lying down or sitting with friends.

B. VOLCANIC STONE

High-quality stones for traditional steam generation and superior heat distribution.

C. EXPLOSION-PROOF LIGHTS

Safe, high-temperature resistant lighting for a calming ambiance.

D. SMART HEATING CONTROL

Set and maintain your perfect temp from 0–195°F.

E. HEMLOCK INSIDE & OUT

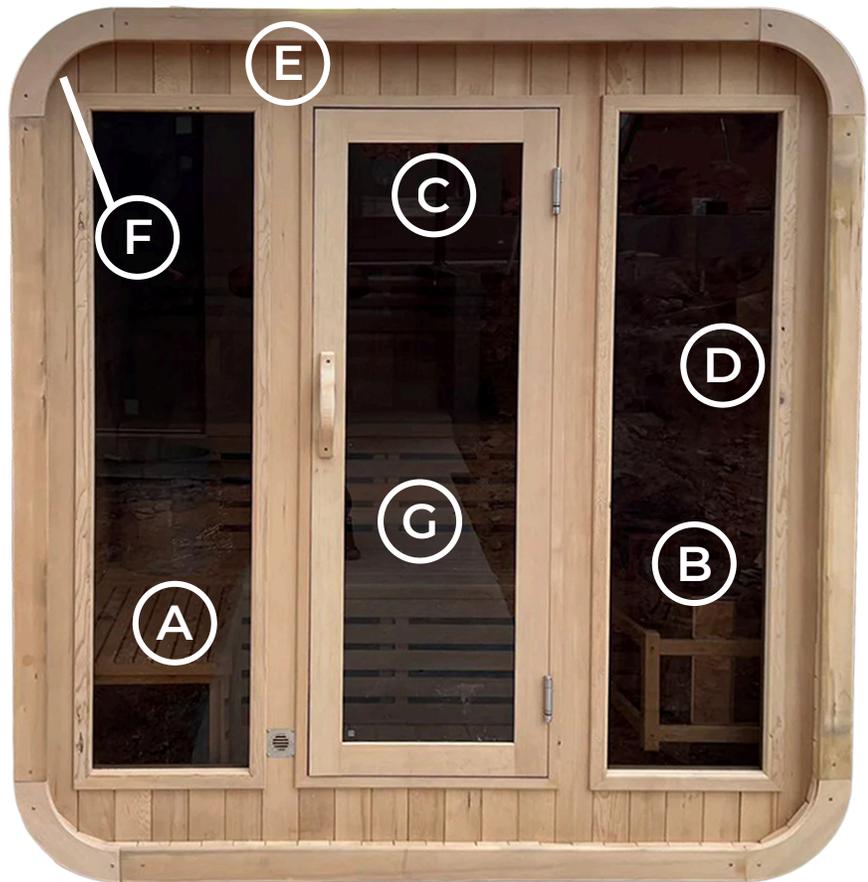

Durable, elegant wood that retains heat efficiently, resists warping, and requires minimal maintenance.

F. WATERPROOF AND BREATHABLE DESIGN

PU-coated roof and waterproof wooden boards prevent leakage while fresh air channels keep the sauna breathable.

G. THERMO-HYGROMETER & SANDGLASS

Monitor temperature, humidity, and session timing for the ideal sauna experience.
