- Filter cleaning for peak performance
- Spa surface wipe-down
- Equipment & system check
- Standard water care chemicals included*

**Cartridges and salt cells sold separately.*

ADDITIONAL A-LA-CARTE SERVICES

What is a Drain, Clean, Refill & Balance (DCR)?

Over time, minerals and residue build up in spa water that routine care can't remove. Our DCR service restores your spa to like-new condition with a full drain, deep clean, fresh refill, and professional balancing.

\$425

SCAN ME!

Soak More. Worry Less.

Ask a team member for details or scan the QR code to sign up.

Spa Winterization

Protect your spa all winter — drained, vacuumed, and antifreeze added to prevent freezing.

\$400

Smart Start

Spa orientation, water balancing assistance, salt system education, filter care guidance, and tips for mastering your control panel.

\$199

Smart Start & Fill

Everything in Smart Start — plus we fill your spa so it's ready to soak.

\$299

There is no one else we will be trusting now or in the future other than Combined Pool and Spa in Sioux Falls. Thank You!!!
